

Hip&Go

Leather luxuriousness

Stylish and sophisticated way to have hands & shoulder free when you are out and about

Practical tips :

- *The bag's belt that goes around your waist has many sizing options . (Ranging from 30 inch to 44 inches)*
- *The Two exterior pocket's are equipped with an internal elastic net - it is recommended to put your "balky " stuff that way you will have more room for **your** necessity thing*
- *You will also find two large zippered interior pockets for max safety*
- *Out side Clips for your keys*
- *The "bottle holder " can hold big size drink bottles*
- *To-go size product's like sunscreen, hand sanitary etc... will fit well within the pocket*
